Detailed Work Description:

It is assumed that the proposed work is authorized by the owner, and that the permit holder is authorized by the owner to secure this permit. The permit holder agrees to conform to all applicable laws of the State of Michigan and the City of Luna Pier. Granting of this permit does not presume to give authority to violate or cancel any construction laws, regulations, or codes. "Section 23a of the state construction codes act of 1972, 1972 PA 230, MCL 125.1523a, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who perform work on a residential building or a residential structure. Violations of section 23a are subjected to civil fines." I further agree to abide by Michigan Public Act 53 and call MISS DIG no less than 3 days before excavation. Payment of permit fee constitutes acceptance of the above terms.
