

**The Luna Pier Parks and Rec Commission Needs You!  
Help Us Decide on Priorities for Our Parks & Recreation!  
Make Your Voice Heard!**

Luna Pier's Parks and Recreation Commission is dedicated to improving the City's parks and recreation opportunities for everyone in the community. Every five years we prepare a five-year plan that makes us eligible to apply for state grants and also makes sure we offer the types of parks and programs that residents want and use.

But it's hard to tell what kind of improvements will be successful without hearing from you, the community's residents and park users. That's why we're asking you to fill out this survey and send it in. It will just take a couple of minutes and no stamps are needed – just fill it out and drop it off at the City Hall or at the Rasey Library. Or put on a stamp and mail it in. It's as simple as that.

By letting us know your preferences for what you would like to see, the City can do a better job of providing the kinds of recreation that will be used and enjoyed by the community. The results of this survey will give the Committee the kind of input they need to make sure that you get the kind of parks and programs that you want and will use.

You don't have to sign the survey, but if you wish to be contacted about participating in the parks and recreation planning process then fill in your name and number and we'll let you know how to help.

So please fill out this survey (before December 8!) and make your voice heard!!!

Sincerely,

*Luna Pier Parks and Recreation Commission*
