TO: Flood and Erosion Committee

RE: Request and Recommendation to:
Repair concrete dike system cylinders and walkway
Secure funding

It is agreed that the cylinders are eroding and in need of repair. In considering that the City is applying for a USDA grant for a total amount of \$_____ and it is estimated that repairing the concrete in the dike system will cost \$_____ from that total. There is a fund balance of \$449,000 approximately at this time for flood protection projects. Council has considered whether to take the money from our current reserve or await approval of the loan.

It is the decision of Council to ... based on the following

Sincerely,

Mary A. Liske
Mayor
